OCCASION

OSLO TABLE

Drawing inspiration from monumental columns and classical architecture deep in history, the Athens table transcends the boundaries of furniture design, transforming into a living-space sculpture. Its unique asymmetrical leg structure—featuring a curved, fluid panel block on one side and powerful cylindrical columns on the other—imparts a strong character to the space. This distinctive stance, combined with the elegance of the marble-textured oval top, creates an atmosphere in your home that feels like a modern art gallery.

ATINA TABLE

HoReCa
Papatya[®]
