narın

Tüm ürünlerimize **Eskitme / Retro ve PVD Titanyum** işlemleri uygulanabilmektedir.
Kataloglarımızda bu işlemlerin uygulandığı örnek ürünleri görebilirsiniz.

Retro finish and PVD Titanium coatings can be applied on all our products.
You can see these examples in our catalogs.

2024 KATALOG / CATALOG

narin

1967’de kurulan Narin, Türkiye’de züccaciye ve endüstriyel mutfak sektöründe önde gelen firmalar arasında yer almaktadır. Firmanın köklü geçmişinin arkasında “sürdürülebilir kalite” yaklaşımı vardır. Narin, yüksek kalite anlayışına önem vererek müşteri odaklı çalışmalarında beklenti ve ihtiyaçları her zaman ön planda tutmuştur. Kurulduğu günden bu yana kendi bünyesinde yüksek teknolojisiyle üretim yapan firma, ürün yelpazesini çeşitlendirerek, piyasanın rekabetçi ortamında kendi koleksiyon ve tasarımlarıyla bulunmayı tercih etmiştir.

Ürün gamında yaklaşık 1000 farklı kaleme sahip firmanın öne çıkan ürünleri çatal, kaşık ve bıçağın yanında ev serileri, masaüstü aksesuarları ve horeca grubu olmuştur.

Geniş ürün yelpazesıyla esnek bir üretim yapısına önem veren firma çalışmalarını uzmanlaşmış kadrosuyla İstanbul-Güneşli fabrikasında devam ettirmektedir.

Narin, Türkiye’nin her noktasındaki satış kanallarına da ulaşarak ürünlerini sizlere etkin bir şekilde ulaştırmaktadır.

İç pazarın yanı sıra dış pazardaki etkinliğini de arttıran Narin; Avrupa, Orta Doğu, Amerika ve Uzak Doğu olmak üzere birçok ülkeye ihracat gerçekleştirmektedir.

Established in 1967, Narin is among the most distinguished firms operating in Turkey’s houseware and industrial kitchen products sector. “Sustainable Quality” approach is what is behind the firm’s rooted history. Narin has always kept customer expectations and needs at the forefront in its customer focused designs by placing importance on high quality. From the day it was founded, the company with its in-house high technology production chose to take place in the competitive market with its own exclusive collections and designs, by differentiating its product range. In terms of its product range, the company has approximately 1000 different items, with forks, spoons, and knives being in the foreground alongside home series, table accessories and horeca equipment.

The firm, placing importance on flexible production structure with its wide product range, continues to operate in Istanbul-Güneşli with its expert staff. While bringing Narin customers and products together at its wholesale store in Güneşli, the firm also feeds sales channels across Turkey to reach out to Narin customers more effectively.

In addition to the domestic market, Narin has increased its efficiency in the international market as well, by exporting tableware and horeca products to Europe, Middle East, America and Far East countries.
